“ To Trini's family,

*I am so sorry for your loss he was a great guy very kind and light hearted never let anything get him down. He will always have a special place in my heart. I remember when we first met it seems like just yesterday that we shared a lot of good times together and memories that I will always hold onto. Even though we didn't speak all the time when we did talk it was like no time had passed. I will never forget him and what a special man he was.*
