“ TK only god knows why it happened he had the last say, and he decided it was your time. My heart goes out to your mom,daughter,family and friends. I read this in the Sundays paper maybe it can up lift the special people in your life.
Don't grieve for me now, for I'm free.I'm following the path God made for me. I took his hand when I heard him call, I turned back and left it all.Icould not stay another day to laugh, to love, to work or play tasks left undone must stay that way,I found that place at the close of the day.If my parting has left a void then fill it with remembered joy. A friendship shared,a laugh,a kiss. Oh yes these things I will miss. Be not burdened with times of sorrow, I wish you the sunshine of tomorrow. my life's been full I savored much,good friends,good times,a loved ones touch.Perhaps my time seemed all too brief; don't lengthen it now with undo grief. Lift your heart and say it with me. God wanted me now. He set me free. R.I.P TK

“ *To the whole Barros family,*

During this time, may sweet memories fill your heart. And if your soul needs to shed some tears, then let them flow. And if a laugh creeps in, give yourself that gift. May time be your friend and give you comfort.
