“ I am so saddened to hear of Valeris passing. For the past three years I was lucky enough to be her "buddy" with Quinnipiac Universitys Best Buddies program. Valerie was an incredible friend and had such a great spirit. I will miss her sense of humor and hugs very much. Sending peace to all her friends, and family.

“ I will miss Valerie very much here at Easter Seals. She was my "buddy" for as long as I can remember (I've been here 30 years). I'll remember her big smile and how when she came in to my Project HIRE group faithfully every Tuesday she would share if anyone needed anything, showed us the pretty jewelry she had made,always showed concern for others and would give me a hug before she left. We will always have fond memories of her time with us at Easter Seals. I am sincerely sorry for your loss.
