“ To Vera's family: My deep and sincere condolence to Vera's family...Although I only knew Vera for the past two years, I was blessed with knowing her throughout that time. She was a wonderful woman, a great friend and her presence will surely be missed. She will always be in my heart. She was so kind and supportive to my teenage son, and he sends his sympathy to her family as well. She will certainly be greatly missed at DESK as well. Vera and I were just making plans to start working out of our homes doing various typing jobs. You are in my thoughts and prayers at this difficult, challenging time. Hold to your faith. maria

“ For such an angel, that I'll miss, but will remember her always calling me aunt Linda with such sweetness. May God bless you and bring joy in your hearts when you think of her in the days and years ahead. I pray that God will comfort you and give you his peace "...that passeth all understanding..."

“ To Vera's family,
What a devastating loss!! Vera was well-loved and well-respected at Blue Cross. I worked in the same dept. for years....she could always cut through the nonsense and give you a straight opinion. Even though I haven't seen her in years, she will always live in a special place in my heart
