“ My Condolences to the family. I'm So Hurt by her passing, She was a very Beautiful Woman. She had a Heart of Gold and would always take the time out to listen to you" and give you her Opinion and advice. She forgave you" and gave you another Chance Regardless if you Deserved or was in her Circle, She Was there for you.. Ronnie, Was a Daughter to Me, I watched her grow from a "Teenager" to a Woman, Daughter, Sister, Mother, Grandmother, Niece, Cousin.. I'm So Sorry' that I wasn't there to Say I love you.. Babygirl " You Will Definitely remain Within My Heart." Say Hello to my Mother and Take Care of her. I Pray that Everyone Who's heart that you touched, Hearts will Heal. “ I’m so happy my friend came into my life even though it was short it seem like I’ve known her for years. Happy I got to Cry with her and feel her pain, her pain touch my soul that day and I will never forget it. We talk a lot on the phone she never complain she would say, Pastor Brenda there is other people in here worse off then me she would say how much she loved God and she was looking forward to visiting my church one more time. Often happy we made her queen of the day in our "Sister Can You Feel Me Group", we just loved on her, we put a crown on her and a cape and gave her big basket with smell goods. She was so happy and grateful.
