July 16, 1956 - March 26, 2026

### Obituary for Victoria W. Coleman

Victoria W. Coleman, of New Haven, Connecticut, passed away peacefully on March 26, 2026. She was 69 years old.

Victoria was born on July 16, 1956, in New Haven, Connecticut, to the late Sammie L. Williams and Ann Marie Williams. She spent much of her life in New Haven, where she built a life centered around family, love, and simple joys.

She was a devoted mother and grandmother who treasured her family above all else. Victoria found happiness in the little things—she was a huge New York Giants fan, loved ladybugs, and enjoyed spending time watching the Food Network. These everyday moments brought her comfort and joy and are the memories her family will hold close.

She is survived by her loving children, Aia Coleman (Willie Issac) and Theodore C. Coleman (Crystal Coleman). Victoria also leaves behind her cherished grandchildren, Chasity Coleman, Theodore Coleman, Ronjane Isaac and Sage Isaac, who brought her immense pride and happiness.

Victoria shared a lasting bond with her former husband, Theodore R.

Coleman, who remained an important and supportive presence in her life.

She will be remembered for her strength, her love for her family, and the warmth she brought into the lives of those around her. Her memory will live on through the love she gave and the lives she touched.

“ 🌹 To Aia&Theo : Sending my deepest prayers & blessings to you both. You both told great care of your mom's, along with you father I was great to spend that day. With Vicky sharing a friendship and reminiscing on Moms and grandpa the good old days Vic always had a warm smile. I was always doing stuff with the family. She took good care of your grandparents and also you both now she needs good memories and you just have you too along with family, friends and and you'll always have me your adopted auntie if I could help in anyway just give me a call. I'll always be there for both of you now. Vicky is going home to be with your grandparents and other family members. No more pain and no more suffering. 🙏❤️

To the family: I enjoyed the days working with Vicki @Pratt in E. Hartf. We never chatted in N. Haven. E. Hartf is where we got to know each other. We talked about everything, especially our parents, & children. May God bless her entire family.

“ She was my lifelong friend from the age of 9. I will have to remind myself not to call her every day, especially when we were both usually up at 4 am!  
Her kids are like cousins to my children and I'm having a hard time thinking of life without her.

*I am deeply saddened by the loss of Victoria. I find myself smiling through the tears as I think of over 55 years of laughter and conversations that meant so much. I can't help but smile remembering the pink car and her beloved pet duck. She was irreplaceable and I will treasure her memory.*
