“ *Walter was one of the first people I met when I moved to New Haven. For many years, I'd stop to visit him after work. Always supportive, always a gentleman, he'll be missed by all who knew him.*

“ *He made my time in New Haven brighter. Always someone that I could talk to after a brutal day at work. Such a tragic loss. He will definitely live in my memories.*

“ *My brother was a very kind and loving person. He was the first one to want to help someone out in a time of need, even though he did not have a lot. You could always count on him to be there for you and call you out when it was needed! I hope that he is now with our mother, brother Jimmie and Rufus and Henry Lee, our dogs Woof Woof!*
