“ To my beautiful Cousin: Words can't express what you meant to me. We shared so MANY laughs, good times, trips, or just talking over the phone. "Mo" you always been one of my favorite Big Cousins... The love you had for all of US ( your Family) was unmatched .

*I admired your tenacity and zeal you allowed no one nor NO circumstance limit you from living the life you knew in your heart you deserved. Monique was such an encourager, a well- thought intellectual that had clarity and perspective on just about every topic. We had inside jokes and humor about things that were hilarious to the both of us*

*My heart does hurt, but on the contrary I know where your new home is. The Lord assured me that your NOW rejoicing with Him - With No pain, No MORE!!*

*I just want to say I love you "Mo" and Thanks for everything. The prayers, the talks, the insight, the travels...Your memory will be forever enskitched in my Heart.*

*You faced Life head on, you were the epitome of responsibility.*

*Rest well my sweet beautiful cousin. I know you and Aunt Pearline and Uncle Sonny and all our other loved ones are in Heavenly headquarters having a celebration.*

*To my Cousins, Nana, Nina, Tammy, Ketta, Crystal and Jimmy. Monique Loved you all dearly and please know that....I Love you all too!!!*

*Forever in my heart ( Eternally)  
Cousin Kelli Lakeeba*
