“ *Harry ... ThankU at one point you where the only father figure I had or even knew, Grandma Barbara took great care of me because of you, I'm sadden to hear of your passing, but I want to believe your finally at peace... I hope you lived your best, I'll always respect & honor the Dixon legacy... Grandma & Grandpa we're my heroes... & you gave them to me I'll always be grateful for that... Rest PapaHarry* 🖤👊🎩

“ *My prayers and thoughts are with the family. I am saddened to hear that Harry passed. His struggle was long and difficult. I am happy that he is now at peace. We grew up near each other and attended elementary and high schools and always maintained a friendship through the years. Will miss you Harry. God bless your soul.*
