“ *My condolences to the family.*

Bill has a friend that reached out to me saying that she had a friend with the same last name as mine. I asked my husband if he had family in New Haven and he said yes, what a small world. He gave me his phone number so that he can talk with my husband they never got a chance to get together as planned but they were happy to talk with each other.

Again I'm so sorry for your family loss

“ *Bill Jeffreys and I were coworkers at Yale University Security Services for many years before I became disabled in 2009. He was like a big brother to me by always checking on me to make sure that I was okay during my shift. He always had a smile on his face and was always willing to help whenever or wherever he was needed. May you rest peacefully in the master's loving arms Bill* 🙏🕊️🙏.
