“ *Well dad its been awhile since you been gone and its not easy but I will continue to be strong and take care of your grands as you would say. Keep shining a light over us and all your family and friends not a day goes by we don't miss you and think about you. “ *To My Big Brother.*

*Love you still. You were and will and always will be a beacon to me. It is not easy for a Black Brother to ,make it in this world. I will say you lived an active life trying to survive the only way you knew. And yet you still had a heart of Gold. Thanks for putting me up for a season. You came through for me. And that much I will never forget. I am sure I will see you in paradise. Until then Big Bro. Keep a light out there for me. Love and rest in heavenly peace.*
