“ *Willie, you are truly gonna be missed and you are a mess. I remember you coming to my house and say Meatball. I truly love you Cousin whenever you walked in the room you made the room bright just by calling me Meatball with that smile. Your cousin Ced and I are gonna miss you so much. We already do and you gained your wings up in Heaven. We love you. Willie your cousin Meatball when you call me that a teardrop falls as I write this cause I just seen you that's what hurt the most but me and your cousin said he's having a hard time to accept this right now so am I. Fly with your wings up in the air, you made it to God. You are truly missed and gonna always be missed. We love you, Willie.*
