

Winifred Phillips-Cue

April 27, 1960 - April 15, 2020

Winnie Phillips Cue 59 born in New Haven Ct. departed this life on April 15, 2020 peacefully in her sleep after a long illness. She was surrounded and supported by her loving family during the final days of her life.

She was raised in New Haven and graduated from Lee High School and later earned an Associates Degree from the University of Phoenix. She was employed by Blue Cross/Blue Shield and then YNHH/St. Raphael's Hospital as a Call Center Analysis.

Winnie was a baptized member of Vertical Church in West Haven, Ct. and was associated with the women in battle ministry.

She was a member and very passionate of her involvement with the "Nucleus Group", who were very inspirational in the organizing of the New Haven "Botanical Garden of Healing" which is dedicated to victims of Gun Violence.

She has been blessed to have been a part of a very close knit family and always enjoyed spending time with her kids, grandkids and great grandkids and we all will surely miss that magnetic smile.

Winnie is survived by her Mom Gladys Phillips Adams, two sons Brandon Mack and Devin Cue, 6 Grandkids, Lavius Jr, Lavojanee, Josiah and Chase

Phillips, Mahogany Goodson and Brielle Mack, 5 Greatgrand kids Harmony, Noah and Laviyas Phillips III, Jade and Troy Goodson, 1 Brother Charles (Doreen) Phillips, and 3 Sisters, Sheila (Fred) Tyson, Sandra Phillips and Michelle Phillips Sharif. She also will be leaving behind a host of nieces, nephews, countless cousins and friends. She is predeceased by her loving son Laviyas Phillips, her dear father Charles Phillips Sr. and her loving brother Steven Phillips. May God Bless her Soul

“ *Winnie was a stunningly beautiful young lady when she came to our employment agency back in the late 80's..she was as bright as she was pretty..dressed like a society girl everyday. Did not see her again until the 90's.....always hoped she did well. RIP pretty girl...*

“ *To the Phillips family. When I received the news of this beautiful person Winnie I went into denial mood. I know we all will have to keep an appointment such as Winnie has. It's sad that her physical being is no longer here, but her memory will live on forever. Now the Phillips family has another Angel looking over each and everyone of you. May God continue to strengthen your family. God Bless everyone.

“ *Cousin Winnie, I will forever remember your beautiful compassionate spirit and of course, your ability to be direct when speaking your mind! One of my earliest memories of you is when I was 14 years old. We were at a family function and I decided to explore the mystery of bright red lipstick. My mother, your first cousin "Sister" didn't seem to mind. However, pulled me aside and reminded me that I was still a little girl who had a long life ahead of me and when I'm older, that red lipstick would still be there. Then told me to take it off. I will be 45 years old this year and will never forget how you took the time to share wisdom with your little cousin while others judged. I loved your authenticity, thank you for showing me that a strong, beautiful woman is not defined by the superficial qualities that many of us feel pressured to adopt.*

*I love and miss you dearly,

“ My heart breaks because Winnie has left us too soon. But I trust that she is resting peacefully with our FATHER GOD. I remember living on Franklin Street and hanging out with Winnie and her family (Mrs. Gladys, Charles, Sheila, Sandra, Michelle and Steve) almost every day. We had so much fun growing up together. And even though our adult lives took us on different paths, Winnie and I continued our friendship via Facebook posts and messages. I will miss seeing her beauty and reading her encouraging words. GOD Bless your sweet soul Winnie. My sincerest condolences and prayers are with the Phillips family. *HeartfeltLoveHugs* 🙏❤️
