

Xzavier Anthony Reyes

July 1, 2000 - April 29, 2026

Xzavier Anthony Reyes, age 25, was born on July 1, 2000, at 7:22 a.m. Xzavier entered this world as a beautiful blessing from God, and from the very beginning, his light touched everyone around him. Heartbreakingly, he left this cruel place on April 29, 2026.

To me, he was more than a son. He was a part of my heart walking outside of me. Xzavier was gallant, vibrant, charismatic, brave, tenacious, militant, loving, kind, lovable, respectful, caring, diligent, relentless, full of life, and most of all, unforgettable. He had a presence that could light up any room wherever he went. People were drawn to his energy, his perfect smile, and his spirit. He was truly a ray of sunshine and a main character in the lives of so many who loved him.

Xzavier was a loving son...a proud uncle, a brother, a grandson, a protector, and someone who loved deeply. He made sure to treat people with kindness, respect, and genuine love... he would never want to break someone's stride... which is why he was so admired by his peers, his coaches, his teachers, his coworkers, his friends, and his family. He was authentic, loyal, and real in a way that made people feel safe around him.

Throughout his life, Xzavier worked hard and explored many paths... one thing about it he would try anything once... including landscaping to which he had the pleasure of working beside his brother. Banking, car sales, and mental

health work. I remember when he started working at continuum he was like this might be it. This might be where I really fit.. and knowing what the job entails he was never discouraged. He always had to see everything through. He persevered .. and even after he chose a different position an old client would text him to check on him and explain to him that he was missed no matter what he pursued he gave it his all and loved his family fiercely and always made sure the people he loved were protected. His life was taken way too soon and there are no words strong enough to describe the heartbreak of losing a son & brother..our hearts are broken, trying to understand why this happened.. questioning God has never been a choice. No mother should ever have to experience this kind of pain the pain of her child leaving before she yet even through unimaginable grief. I continue to trust God and hold onto his promise, strength, courage, understanding, and most of all peace, perfect peace. Xzavier leaves behind a family who loved him beyond words. He's survived by his mother, Tamie Holley, and joins his father Joshua Reyes in eternal rest. He leaves behind his brothers, Kayde Madden Holley, Isaac Benjamin Hart. He is predeceased by his brother Derrick Vereen .. survived by his brothers Addison Clegg Ibnlavar Lombardo Breeze ..Edward Williams ..Jeremiah Reyes and Joshua Reyes jr and a host of many more who considered him a brother more than a friend.. He also leaves behind his sisters Emane Alimatu Holley, Aisha Baptiste, Alicia Baptiste, Alexis Reyes.

He is survived by his beloved nephew, Enzo Armias Holley-Teart... they spent many hours playing and watching old-school cartoons... and eating really good breakfast... he would run to the top of the stairs and yell "Uncle" our heartbreak a little more whenever he wonders where Xzavier has gone.. He leaves behind a special cousin, Shianne Jenkins... who was more like a little sister & confidante. He also leaves behind more beautiful cousins... Sonia Jenkins, Jasmine Justina, Joelle, Xenia, Maxzine, Lena, and Darryl

Xzavier is also survived by his grandmother's Ronetta Holley & Ana Madera.

He is reunited with his grandfather Milton Soto... and survived by his grandfather Juan Reyes. He also leaves behind a host of many beautiful friends who loved him deeply and considered him family.

Through Xavier's life was cut short, the love he gave, and the impact he made will never fade his spirit, laughter, and love or too big for this world to contain . And the memories will live forever in the hearts of everyone who knew him. I am extremely grateful to have been able to call him my son .

Forever loved .. forever my son.. now my angel
