“ *Our Angel is up in Heaven Now.*

*God, you've taken away our baby that we loved very dearly.
Now our lives will be changed forever and that is a burden we have
to bear.*

*All we ask is that you take very good care of her because she is in
your hands*

and to help us that is still here understand.

*Yes we will have our good days and bad days but we know she will
be with us every step of the way.*

We know that she would want us to continue on and be strong.

*Believe me, will try our best even though it seems completely
wrong.*

As we prepare to say our final Good-Bye the tears begin to flow.

We now know the healing process will be slow.

*By the grace of God we know that we can work through this if we all
stick together.*

For we all know that the pain we feel is not forever.

*So we ask you, God help us through this tough time and let us know
that we will be just fine.*

Our Thoughts & Prayers are with you during this tough time.

“ To my darling second daugther, words can not express the pain that you are feeling. Take it slow, one day at a time, and things will get better. She's not here in person but she is in our heart. She will be remembered until the end, keep faith and keeping going no matter what. I love you and if you need me I'm always here, so is you sister Miya.

“ *Shana & Marquis,
I am very sorry to hear about your loss, words can only show so little of how much I understand what the two of you are going through. I hold you and your family deep in my prayers. God will never place more on you than you can handle. Shana, Mariah is a bright little girl and she will be there when you need her the most. Keep your head held high and know that there are lots of people who love and care for you, and will not leave you in you time of need. My prayers are forever with you!May God be a blessing to you and your families; Sheree*

“ *Quis and Shana, My heart goes out to the both of you. I know how it feels to lose a child. Just know that God is the Author and Finisher of our faith. Keep your heads up and your eyes on Jesus. Remember, the Bible says in John 10:10; The thief comes not, but to steal, and to kill and to destroy; I am come that they might have life and that they might have it more abundantly. Only God knew the purpose that Zy'aire would've served on this earth, and sometimes it's better not to question why things happen. Just know that if either of you need anything, I'm here for the both of you.*

“ *Shana and Marquis,*

I cannot begin to comprehend the magnitude of your loss since the passing of your precious Zy'aire. May you both take comfort in the fact that for the brief time she was with you, she knew that her mommy and daddy loved her so much.

She was also loved by many.

I know that no person or experience will ever replace the happiness and joy that Zy'aire gave you.

During this time of unspeakable grief, please let the love of our family be a source of comfort and strength.

With love,

Gail, Shawn and Imani Riggins

“ *Shana, I am deeply saddened by the loss of Zy'aire. I wish there were something I could say or do to comfort you during this difficult time. I was not fortunate to have spent time with my Great Niece, but she became a part of me the day she was born. She will forever have a piece of my heart and I know the memories of her Angelic face will see you and Marquis through. With all my love and affection,*
